EMPIRE BOOKCASE 8088

A decorative piece of furniture is the Empire bookshelf from the pen of designer Leonardo Dainelli. The successful combination of metal structure and wooden shelves, the possibility to choose one surface for both and the stylish design make the bookcase an accessory for every living area, whether in the living room, office, home office, bedroom or as a practical partition between two living areas.

6 fixed shelves, veneered in American walnut. Metal frame can be delivered in antique bronze finish (MG) or in black chrome finish (CN). Will be delivered disassembled.
